7	One leg stand test (5 or more) or Finger and nose test (6 or more)	<input type="checkbox"/> / 8 <input type="checkbox"/> / 10	/2
8	Test of reaction time	<input type="checkbox"/> /1	/1
Final Score			/ 11

To conclude as under Influence of alcohol there should be a minimum total score of six (6) (i.e. 6 out of 11)

E. OPINION

No clinical evidence of drunkenness	Breath smelling of liquor	Under influence of alcohol	Evidence of use of other substances masking the smelling of liquor

Remarks: (Are there any natural/traumatic conditions of effects of drugs (therapeutic /drugs of abuse) mimicking alcohol intoxication.
