

General Circular No. 02/199/2011

My No.PA/DDG/PHS/PPHI/02/2008

Office of the Director General of Health  
Services,

Suwasiripaya

Ministry of Health

Colombo.

..... September, 2011

To All Provincial Directors of Health Services,  
Regional Directors of Health Services,  
Directors of Specialized Campaigns,  
Medical Officers of Health,  
Heads of Health Institutions

**Duties and Responsibilities of Public Health Inspectors attached to the Health Institutions  
and Specialised Campaigns**

This is to inform you that Duties and Responsibilities of Public Health Inspectors including those attached to different Health Institutions come under Central, Provincial Health ministry have revised.

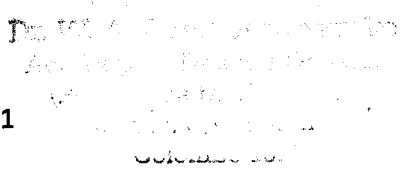

This New "Manual for the Sri Lanka Public Health Inspectors" which provides Guidelines and Instructions appears in the Ministry of Health WEB site. ([www.health.gov.lk](http://www.health.gov.lk)).

With the release of this manual, previous circulars on Duties and Responsibilities of Public Health Inspectors are cancelled. PHII are expected to follow this guideline in the manual.

  
Dr. Sunil Settinayaka

Deputy Director General (PHS) 1

Office of the DGHS

Sigd. Dr.U.A.Mendis

Director General of Health Services
