41	41-89/90b	1	A study of hospital admission of accidents during festival seasons in accident service, Colombo
42	42-89/90b	1	A study on incidence of hospital admissions due to accidents during festival seasons
43	43-89/90b	1	Occupational hazards FTZ, Katunayake
44	01-90/91b	2	A study of maternal knowledge in child health care
45	02-90/91b	2	A study of late marriages
46	03-90/91b	2	Attitudes towards the doctors of inward patients
47	04-90/91b	2	Medical staff strike for demands
48	05-90/91b	2	Attitudes of pregnant mothers towards the antenatal clinics of Ragama
49	06-90/91b	2	Satisfaction of patients who come to OPD

50	07-90/91b	2	Alcoholism & liver diseases
51	08-90/91b	2	Caesarean section & pregnancy
52	09-90/91b	2	Study of contraceptives practice, the sources of supply & awareness of contraception among working women
53	10-90/91b	2	The influence of personal back ground on successful undergraduate medical carrier
54	11-90/91b	2	A descriptive study of problems of House officers
55	12-90/91b	2	Causes for delayed pregnancy
56	13-90/91b	2	Fighting oral cancer
57	14-90/91b	2	Ayurvedic management of orthopedic problems
58	15-90/91b	2	Socio demographic & health problems in costal area
59	16-90/91b	2	A study on diarrhoea & home management

60	17-90/91b	2	Socio demographic factors & common disease patterns among prisoners
61	18-90/91b	2	Health related problems among graphite miners
62	19-90/91b	2	Factors affecting surgical casualties
63	20-90/91b	2	Agrochemical usage & associated health problems among framers in Mahaweli H2 area
64	21-90/91b	2	Descriptive study of practice of Ayurvedic medicine in Sri Lanka
65	22-90/91b	2	Occupational health hazards in workers in dust involving industry
66	23-90/91b	2	Effects of factories in FTZ at Katunayake on the environment & man kind
67	24-90/91b	2	Why abortions? A study on the factors affecting spontaneous abortions
68	25-90/91b	2	A glance at channel service
69	26-90/91b	2	Distribution of socio economic background of university entrants

70	27-90/91b	2	Attitudes & awareness of worm infestation among mothers in Katuwakelle & Mavehena
71	28-90/91b	2	Variation of the peak expiratory flow rate
72	29-90/91b	2	A study of street living population
73	30-90/91b	2	Psycho social problems of export processing home workers in Sri Lanka
74	31-90/91b	2	The burden of Thalassaemia & psychological aspect
75	32-90/91b	2	Risk factors of female breast cancer
76	01-91/92b	3	Prevalence of dental problems
77	02-92/93b	3	The prevalence of cardiovascular diseases, risk factors & their relationship
78	03-92/93b	3	Occupational health hazards undergone by workers in rice mills
79	04-92/93b	3	A study on health hazards on welders

80	05-92/93b	3	Study of exclusive breast feeding by mothers attending the well baby clinics in MOH area of Ragama
81	06-92/93b	3	Study of patients who seek orthopedic care
82	07-92/93b	3	A study of elderly in home for elders
83	08-92/93b	3	The attitude of post operative patients regarding histology/cytology reports
84	09-92/93b	3	Utilization of health resources with regard to snake bites in the Ragama MOH area
85	10-92/93b	3	Descriptive study on Schizophrenia
86	11-92/93b	3	Occupational health hazards in workers of granite crushers
87	12-92/93b	3	Surveillance of Aedes larvae in Ragama PHM area
88	13-92/93b	3	Sex preference in Sri Lankan families
89	14-92/93b	3	A survey of cancer patients

90	15-92/93b	3	Antecedent factors of deliberate self harm
91	16-92/93b	3	Study of usage of contraceptive methods in Gampaha district
92	17-92/93b	3	Abortion
93	18-92/93b	3	Mother & well baby
94	19-92/93b	3	A study on menarche & nature of menstruation
95	20-92/93b	3	Menopause
96	21-92/93b	3	Knowledge & pattern of weaning food among rural & urban mothers
97	22-92/93b	3	Disease patterns of chest X-rays
98	23-92/93b	3	Acupuncture as an alternative medicine
99	24-92/93b	3	Contamination of water

100	25-92/93b	3	Descriptive study of alcoholism & nervous system involvement
101	26-92/93b	3	Community medicine project
102	27-92/93b	3	A study of factors involved in recurrent seizure attacks
103	28-92/93b	3	Pattern of distribution of joint diseases in Ragama area
104	29-92/93b	3	Trends of caesarean section in Gampaha district
105	30-92/93b	3	Hospital based study on snake bite in Gampaha district
