Dear Sir/ Madam

Re: Research Higher Diploma in Crime investigation

Higher Diploma in Crime Investigation (HDCI) conducted by the University of Kelaniya and the National Police Academy, Katana is a multi-disciplinary course placed at level 4 of the Sri Lanka Qualification Framework. The course consists of 18 course units where expected outcome is not only giving knowledge but also developing skills and transform the student into a professional police officer who is an expert in crime investigation. According to the curriculum of the HDCI a student is expected to conduct a research under the course unit of 'Investigative Crime Research' amounting to 5 credits.

Mr/Ms (SI/WSI/IP/CI) of Teaching Police Station
is conducting a research titled

.....
.....

under the supervision of (Prof/Dr/Mr.....) of the

.....

We would be very grateful if you/ your organization authorizes the above student to collect data necessary for the above research project. The secondary data is anonymized according to research ethical guides. The data collection will take place from October 2018 to January 2019 enabling them to complete the project by March 2019.
