HDCI 2021 Intake (2nd Batch) – Third Semester Examination Schedule

01. HDCI 2023– Assignments

All assignments need to be submitted electronically on or before the stipulated date. The assignments need to be submitted to the Learning Management System (LMS) of the HDCI. The final date of the submission to LMS is at 24.00 hrs of 11th Sep 2023.

Course assignments must be submitted with the signature of the supervising officers at the teaching police stations to certify that they are true and original case work conducted at the police station. Thus, assignments have a formative evaluation component too.

In exceptional cases, an extension may be given but this should be discussed with the course coordinator in advance of the submission date. Course work which is submitted late is subjected to the following penalties.

I.   Handed in up to 24 hours later than set date and time: deduction of 10% of the allocated mark.
II.   Handed in up to 1 week later than set date and time: deduction of 20% of the allocated mark.
III. If an assignment is handed in more than a week later than the due date, 30% of the allocated mark will be deducted, but the acceptance of such a piece of course work is at the discretion of the course coordinator. The work may not be accepted if the same assignment has already been marked and returned to other students.

Considering the present economic crisis in the country and the scarcity of papers, submission of assignments will be done through the LMS system of the HDCI of the University of Kelaniya only. It is the duty of the student to upload the assignment to the LMS.

A scanned copy of the filled and signed declaration form together with the Feedback form on In-Service Training (quarterly report to the BOS in HDCI in logbook) should be submitted with the assignments of the 3rd Semester. They also should be uploaded to the LMS. Delayed submissions will be subjected to mark reduction according to the HDCI curriculum 2021.

24 hours prior to viva, Power Point presentation should be uploaded to the **hdci@kln.ac.lk,**. A student is allowed to bring the final version of the presentation to the viva panel.

Please note that plagiarism in any form is an examination offence.
