Re: Change of Dates: Submission of Assignments

Due to rescheduling of exams at the faculty of Medicine, HDCI exams schedules have been changed. The final date of electronic submission of assignments of 1st semester course units is the Sunday 4th September 2022 at 24.00hrs. As instructed earlier you need to submit the assignments electronically through the LMS system and an e- copy to hdciexam@kln.ac.lk on or before the deadline. Reduction of marks will be applied to delayed submissions.
