

Notice

This is to inform you that the submission date of the of final Research Report for evaluation (HDCI 21115) is on 15th May 2024. You have to upload the research report to the LMS of HDCI on or before 15th May midnight. (12.00 p.m.) any submissions passing the deadlines will be subjected to reduction of marks according to the by-laws the HDCI.

Course work which is submitted late is subjected to the following penalties.

1. Handed in up to 24 hours later than set date and time: deduction of 10% of the allocated mark
2. Handed in up to 1 week later than set date and time: deduction of 20% of the allocated mark
3. If an assignment is handed in more than a week later than the due date, 30% of the allocated mark will be deducted, but the acceptance of such a piece of course work is at the discretion of the course coordinator. The work may not be accepted if the same assignment has already been marked and returned to other students.

Further a spiral bound hard copy should be handed over to the exam branch on or before 17th May 2024 at 3.00p.m.
