Regarding Medical Certificates

In the event that a student submits a **medical certificate more than twice** as reasons not for appearing for scheduled attempts at a given examination, the student shall be required to appear before the medical board appointed by the faculty board, to ascertain fitness to continue the academic program.

Additional Note:

- A reason given by a student for absence from academic work and/or examinations shall be considered a valid excuse, only if recommended by the Faculty Board of Medicine and appeals subcommittee of the Senate and approved by the Senate and the Council.
- Sitting for examination by all students registered for the examination is mandatory. If the student does not appear for the examination, she/he should seek the permission of the Senate within the relevant period of time, having submitted a written appeal to the Dean with acceptable reasons for not sitting the examination with written proof and the recommendation of the Dean of the relevant Faculty. If a student cannot appear for a part of the examination, the Assistant Registrar/Senior Asst. Registrar of the Faculty should be immediately informed of this in writing, and relevant proof should be sent within 48 hours. *(A copy of the letter is required to submit to the examinations unit on the same day it was submitted to the Dean)*
- A student who fails to obtain a Medical Certificate from the University Medical Officer due to unavoidable circumstances, should submit a valid Medical Certificate obtained from the District Medical Officer of the student's residential area or a Consultant Physician or a Government Ayurvedic hospital. **The Certificate must be certified by the Medical Officer of the university within 14 days from the due date of the examination.** Medical Certificates issued by Western, Ayurvedic, or Homeopathy doctors in private practice will not be generally accepted. However, these may be considered on a case basis by case by the Appeals Board of the University.
