Writing Part 02 - Describing Structures and Functions	25 mins
Writing Part 03 - Essay Writing	25 mins

Reading Paper

Reading Paper	Time
Reading Comprehension	45 mins

Listening Paper

Listening Test Procedure:

1. Distribution of Question Papers:

- Candidates will first receive the listening question papers.
- **5 minutes** will be given for candidates to read through the paper and familiarize themselves with the questions.

2. First Listening:

- The **recording will be played for the first time.**
- Candidates should listen carefully and answer as much as they can during the recording.
- After the recording ends, candidates will be given **10 minutes** to review their answers and complete any unanswered questions.

3. Second Listening:

- The **recording will be played for the second and final time.**
- Candidates should use this opportunity to confirm, correct, or add to their previous answers.
- After the second listening, **another 10 minutes** will be given for candidates to finalize their answers.

4. Collection of Papers:

- At the end of the final 10 minutes, all answer sheets will be collected.

Note: The recording will be played **only twice** during the test.

Speaking

Speaking will be taken groupwise. However, marks will be given individually.
