

# 30<sup>th</sup> Anniversary Academic Sessions

28 - 31 October, 2021

Faculty of Medicine, University of Kelaniya

## PLENARY SESSION 2

30 OCTOBER

08:00 AM - 09:00 AM

### Improving quality of preventive care for chronic disease in South Asia: the NIHR Global Research Network

Professor John Chambers

Professor of Cardiovascular Epidemiology, Imperial College London, United Kingdom and Lee Kong Chian School of Medicine, Nanyang Technological University (NTU), Singapore

“

The ultimate goal of our work is to provide evidence for acceptable, affordable, generalizable low-cost interventions, that improve health promotion and disease prevention amongst South Asians, who represent 25% of the world's population.

”

Chaired by Prof. Rajitha Wickremasinghe - Chair, Senior Professor, Department of Public Health, Faculty of Medicine, University of Kelaniya
